

**We provide a comprehensive range
of residential and commercial
pest control services**

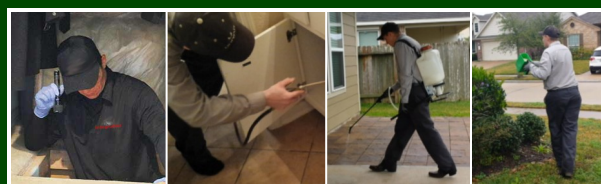

Ants

- Fire Ants
- Carpenter Ants
- Rover Ants
- Tawny Crazy Ants
- Leaf Cutter Ants
- Pharaoh Ants

...and more

General Pest Control Service

The foundation of our residential service is our proven General Pest Control Service. It is designed to cover a broad range of common insects that invade your home, protecting your family, pets, and property. We recommend, but do not require, treatment every three months due to the effective life of the products used to treat.

Mosquito Control

- Misting Systems
- Landscape Treatments
- Larvicide Transfer Device

Flea & Tick Control

Quality residual insecticide & insect growth regulator products are part of our complete flea and tick control program.

Specialty Services

- Termites
- Bed Bug Treatment
- Nuisance Birds
- German Cockroaches
- Rodents & Wildlife
- Wasps
- Bats
- Snakes
